Reception Weekly Learning

This week: In Maths we have explored subtraction of numbers within 10. In literacy we looked at the storybook, 'Alien's Love Underpants' and have designed and described our own alien. We also discovered a *spacecraft crash* in the playground and discussed what it could be and what was inside. We created paper maché planets which we will paint next week.

NEXT WEEK IS BOOK WEEK!

Maths

- Learning about weight.
- Comparing different objects weight
- Ordering 2 or more objects by weight.

Understanding the World

Painting the paper maché planets we created last week.

Physical Development

Making slime and exploring and describing the textures.

Literacy

As it is Book week next week, we will be creating and writing our own class story book of

Little Red Riding Hood

We will also be designing and writing our own books.

Communication and Language

- Talking about fiction and non-fiction books.
- Sorting books fiction and non-fiction books.

Expressive Arts and Design

Painting and writing about our favourite storybook character using our imagination.

Personal, social, and emotional development

Choose our favourite book and look at the different characters, and their emotions.

REMINDERS

- **Reading Books/Communication Books**- If you have left a message for the class teachers, please place the book in the trays outside the classrooms on arrival to school.
- **Junk Modelling -**Please provide any lean recycling for our junk modelling projects.
- Please continue to read lots of stories at home.
- **World Book week**- Dress up as favourite character from a book on Thursday 1st March.
- **Book Fair**- Friday 1st March.
- Please use tapestry to see the wonderful things your children have been learning and exploring.
