

Message from the Head

Dear Parents/Carers

It has been another busy and eventful fortnight at school involving cake and book sales, maths meetings and, of course, pyjamas!

Our thanks go to everybody who donated money to Children in Need and helped us to raise an impressive £193.95 for this worthwhile charity that helps children both here in the UK and overseas.

We would also like to thank our 'Friends of Watling Park' for organising the cake and book sale on both Pyjama Day and the week before.

Thank you for responding so quickly to the message sent out about Parents' Evenings. Sheets were filling up in no time at all! There may still be spaces so please try to ensure that you have put your name down for a slot when you can talk to your child's teacher to gain an overview of their progress so far and their next steps.

We will be encouraging teachers and parents to stick to the 10 minute slots so that the evenings can run smoothly and so that no parents with siblings in the school run late.

We welcome your feedback and both Ms Collinson and I will be in the Studio during both evenings if you wish to discuss anything with us or if you want to come and say 'hello'.

We have an additional date for your diaries! Please join us on **Monday 4th December at 5:00pm** (location t.b.c) when you will have a chance to meet and hear from Claire Delaney, Chair of Trustees at Bellevue Place Education Trust; Mark Greatrex, Chief Executive of Bellevue Place Education Trust; Dhanmita Boodhna, Chair of Governors at Watling Park School; Ms Collinson and myself.

Our Values

We would like to share clearly with you our vision for the Trust and the school and how we work together. Your questions and feedback will be much valued and we hope that many of you will be able to attend.

Our parent information sessions on how we teach 'Maths No Problem' were well attended and many of you are now familiar with 'part-part-whole' and the 'concrete-pictorial-abstract' approach to learning.

We still have some bags of essential maths equipment available for £2. Please approach Mrs Renouf-Crotty in Hazel class if you would like one.

We would like to remind you that swimming lessons for Yrs 1 and 2 come to an end this term and that our focus turns to teaching gymnastics and dance to ensure that children gain a range of PE skills.

We hope that your children have enjoyed the opportunity to be in the water and learn basic swimming and water safety skills and we hope that many of you will be able to carry on developing those skills with your children.

Wishing you all a restful and happy weekend with your families.

Ms S Mallick
Acting Head teacher

5 reasons to vaccinate your child against flu

- ✓ **1. Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- ✓ **2. Protect you, your friends and family.** Vaccinating your child will help protect more vulnerable friends and family
- ✓ **3. No injection needed.** The nasal spray is painless and easy to have
- ✓ **4. It's better than flu.** The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- ✓ **5. Avoid costs.** If your child gets flu, you may have to take time off work or arrange alternative childcare

What should I do?
Children aged two and three years old are offered this vaccination in general practice. Your child's GP surgery should contact you. If you haven't heard from their GP by early November, contact them directly to make an appointment.
Children in reception class and school years 1, 2, 3 & 4 will be offered the vaccine at school. Your child's school will provide details from the local healthcare team.
