

# Reception Weekly Learning

Friday 2<sup>nd</sup> March

**This week:** In Maths we have explored weight and compared different items using the language 'heaviest, lightest, compare'. As it is Book week, we have created our own books and become authors and illustrators. We listened to a story about giants, told by a fantastic story teller who used lots of props and actions. We all enjoyed dressing up as our favourite book characters and sharing stories with our friends on Thursday's World Book Day.

## Maths

- Learning about Capacity.
- Comparing capacity of different objects.
- Ordering 2 or more objects by capacity.

## NEXT WEEK IS OUR RAF MUSEUM TRIP!

### Understanding the World

Painting paper mache planets

### Physical Development

- Making gloop and exploring and describing the textures

### Literacy

Retelling and writing the story of

'The Way Back Home'

Writing letters to the boy who was stuck on the moon

### Communication and Language

- Looking at different transport and telling our friends which is our favourite transport and why

### Expressive Arts and Design

- Designing and creating aeroplanes and testing them to see how far they can fly

### Personal, social, and emotional development

- Writing about how the characters in the story, 'The way back Home', are feeling and why they are feeling that way

## REMINDERS

- **RAF Trip- on Thursday 8<sup>th</sup> March**
- **Reading Books/Communication Books-** Please put the communication books and the phonics reading books in your child's bag everyday so that teachers can read with children.
- **Junk Modelling** -Please provide any lean recycling for our junk modelling projects.
- Please continue to read lots of stories at home.
- Use tapestry to see the wonderful things your children have been learning and exploring.
- **Please regularly check your child bag for learning and letters.**

### Useful Educational websites

Please also see the phonics section on our school website.
