

Reception Weekly Learning

This week: In Maths we explored number bonds to 10 and found many different number pairs to make the total 10. We created landscapes in art with a superhero flying through the night using potato printing. We created Supertato's and wrote a character profile on them. We were super brave and read our Supertato profiles to the rest of the class.

NEXT WEEK IS ATTENDANCE WEEK!

Understanding the World

Using laptops/iPad to draw and label a superhero.
Tasting different vegetables

Physical Development

Designing a superhero trap to catch the 'Evil Pea', using items from construction area

Expressive Arts and Design

Make potions for the Evil Pea, using healthy ingredients.
Painting the Evil Pea using peas

Communication and Language

Writing how a 'kind' superpower can help others.

REMINDERS

- **Reading Books/Communication Books** need to be in your child's school bag everyday so that teacher can read with them.
- Please use the online resources '**Bug club**' and '**Purple mash**'. The login and passwords are inside your child's communication books.
- Use **Tapestry** to see your child's learning and share observations of them doing amazing things at home so we can see in school.
- **Please bring any amazing writing, maths or art work your child has done at home so we can share it in class.**
- Please send your child with a clearly named hat and drink bottle everyday.

Maths

- Doubling
- Recapping Number bonds
- Revisiting 3d Shapes

Literacy

Continue reading our book

'Supertato'

Writing '**super-secret bat messages**', which can be read with a torch!

Personal, social, and emotional development

Writing a 'super friend' card for another child who has been amazing.
