

## English

- Writing a tradition tale – The Magic Porridge pot.
- Using ideas from this story to write our own traditional tale.
- Writing in the past tense and how sometimes this means spelling words with –ed on the end.
- Reading and responding to George's Marvellous Medicine.
- Ensuring all our sentences are accurate with capital letters, full stops, careful spelling and no missing words.
- Developing speaking and listening skills as we prepare for our Christmas play. We will ensure that we can use our voices loudly and clearly.
- Working on expression when we talk in the play – we will be practising this in our reading lessons.

## Design and Technology

- Evaluating different food products, saying what we like and dislike.
- Cooking porridge.
- Designing our own toppings for porridge.
- Tasting, designing and making our own chocolate treats.

## Music

Practising singing high and low notes and recognising what this might look like written down. We will be using these skills to prepare for our Christmas play.

## Maths

- Continuing to develop subtraction skills.
- Improving our understanding of multiplication. We will be understanding the x2, x5 and x10 tables, using resources and pictures to show our understanding.
- Learning some of the times tables off by heart.
- Learning about division and how it can mean sharing into equal groups.

Muck, Mess and Mixtures  
Year 2

## Computing

- Using ICT to present data.
- Making simple spreadsheets.
- Making tables and graphs.

## Art and Design

- Developing printing techniques with hands, bubbles, marbling and more!
- Evaluating our own art work by saying what we would like to improve or change.

## Science

- Investigating what happens when different materials mix with water. How do they change?
- Describing the properties of different materials
- Understanding that properties can change shape by bending, twisting and squeezing.
- Investigating which products make the best bubbles.
- Predicting the outcomes of our investigations.

## PSHE

Thinking about our differences. How are boys and girls different? How are we different in other ways?

## Physical Education

Learning different games. We will also continue with swimming lessons.

## Religious Education

Learning about Christianity and Christmas. Our important question is: Why do Christians believe God gave Jesus to the world?
